Mr. Armando Hernandez,  
Vice-President for Business Development  
Security Credit Union  
3801 W. Boulevard Drive  
PO Box 5160  
Flint, MI 48505-0160

Mr. Hernandez:

On behalf of the Board of Directors, staff and students of the American GI Forum/Hispanic Technology Center I want to thank Security Credit Union for the ten recently donated computers.

Please be assured they will be put to good use as we will use them to replace aging computers that are used by the public who use the center for their computing needs. In addition, we have a Community Fun day in late August where we typically give away bikes and refurbished computers. Your generous donation will mean that some young students will have a newer computer to put to good use for school.

We look forward to working with your organization to make our community a better place in which to live.

Sincerely,

Carlos Cisneros,  
Recording Secretary
