

Mechanical Repair Coverage

The miles can add up but the repair costs don't have to.

MEMBER'S CHOICE® Mechanical Repair Coverage can help deflect some risk of costly future, covered repairs keeping your vehicle running extra miles and extra years. With different coverage levels, and deductibles to choose from, there's a plan to fit your family's budget.

Whether you depend on your vehicle for work or getting your family to school and activities, you need transportation that's safe and reliable. The older your vehicle, the more it takes to keep it in good working order. Not making small repairs can lead to even more expensive repairs and ignoring other repairs can be dangerous.

Benefits of the program*:

- **Good at any authorized repair facility in the U.S. or Canada**
- **Rental reimbursement:** up to \$35/day for 1-5 days (1-10 days for part delays. Available on first day of covered repair.)
- **24-hour emergency roadside assistance:** up to \$100 per use. Includes towing, battery jump start, fluid delivery, flat tire assistance and lock-out service.
- **Travel expense reimbursement:** up to \$200 per day 1-5 days for food, lodging, and rental when a breakdown occurs more than 100 miles from home.
- **Transferable:** to increase resale value. Only if sold privately. Subject to transfer fee.
- **Cancelable:** receive a full refund within the first 60 days or a pro-rated refund thereafter less an administrative fee.
- **No out of pocket expense at time of mechanical repair:** (except for any deductible and any repairs not covered by the policy)–the covered repair is paid directly to the authorized repair facility.
- **Ask about deductible options**

A Message from The Chairman

As we approach the midway point of 2018, we are happy to share that this year has been productive and successful. In February, we released our newest mobile app, Security CU Wallet. In March, we completed our Bill Pay update and in May, our Summer Loans and Skip-A-Pay programs were released. We are looking forward to offering even more to our members as the year continues.

Security CU Wallet

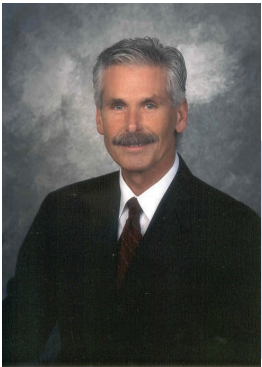

We have partnered with LifeSteps™ to provide our members with an all-in-one mobile solution. Since its release, hundreds of members have downloaded the app. Security CU Wallet offers services such as access to the mobile banking app, transferring funds, ATM locator, viewing rates and even the ability to apply for loans. With this free app, users also have access to shopping deals and coupons, home and auto buying functions, and financial wellness tips and suggestions. The app can be downloaded through the Apple Store or Google Play.

Bill Pay Update

The updated Bill Pay system offers members an enhanced appearance and improved functionality. It also provides members with a cleaner look and no longer requires users to remember a second username and password. We encourage all members to give Bill Pay a try as it gives more freedom and time back to you.

Skip-A-Pay and Summer Loans

As a yearly benefit to our members, Skip-A-Pay and Summer Loans are now available. Visit your nearest branch today to learn more information and apply.

Sincerely,
Ken Scott, Chairman

A Message from The President & CEO

I'd like to take a moment to recap the steps Security has taken to provide you the best possible member experience. In February, we released Security CU Wallet. This app allows members easier access to our wide array of services along with shopping deals, financial wellness tools, and more. In March, we made substantial upgrades to our Bill Pay system. Here is an overview of what is in store over the coming months:

Loan Promotions

Throughout August and September, we are rolling out a Back-to-School promotion for users of the Security Visa Card. Also, watch for special auto loan rates during the month of October.

New Mobile Banking App

Later this year, Security is releasing a brand-new mobile banking app. Expect a more robust and easier-to-navigate system with this enhanced, upgraded app. More details to come this fall so stay tuned!

Card Security Update

In early 2019, we are improving the way your personal financial data is stored in our system. Keep an eye out for more information about these important security enhancements after the first of the year.

On behalf of everyone at Security Credit Union, we appreciate your membership and I hope you and your families enjoy the rest of your summer!

Sincerely,
Christopher Estes, President & CEO
