

How to turn off pop-up blockers in Safari

1. Open Safari
2. In the tool bar at the top of your computer screen click Safari (this will display a drop down box)
3. Click Preferences (a box will open)
4. Click on Websites on the top bar
5. Click on Pop-up Windows
6. Find Security CU in "Currently Open Websites" and click the drop down menu to select "Allow"
7. Click Privacy on the top bar.
8. Uncheck "Prevent cross-site tracking" for Bill Pay to load properly
