

SECURITY MATTERS

MARCH 2023

It is with heavy hearts we share that on January 26, 2023, Director Richard Hazel passed away suddenly. Dick had been a volunteer with Security Credit Union for more than 37 years. Throughout his time serving as a volunteer, Dick was an extremely influential advocate for our members and his presence will be missed. We offer our condolences to all of Dick's friends and family during this difficult time.
